Department of Regulatory Agencies

I am a postdoctoral fellow at The Anxiety Treatment Center of Austin obtaining the supervised experience required to become a fully licensed psychologist. In doing so, I am working under the supervision of Diana Damer, Ph.D., Texas Licensed Psychologist. You may contact my supervisor at 512-879-1836 Ext. 2 if you have questions or concerns. You also have the right to direct concerns or complaints regarding the practice of psychotherapy to the Texas State Board of Examiners of Psychologists, located at 333 Guadalupe, Suite 2-450 Austin, TX 78701.

Texas Licensing laws require that I notify each client of my credentials, their confidentiality rights, the fees, and the therapeutic approaches used in my practice.

Fees

My basic fee is \$160 per 50-minute outpatient session. Longer or shorter sessions are prorated from this basic fee. The fee for an initial evaluation is \$180. There is an additional charge of \$25 per hour for weekend and after-hours (5:00 p.m. or later) appointments. Professional services that you may require, such as report writing, telephone conversations longer than 10 minutes, attendance at meetings or consultation which you have requested, or the time required to perform any other service which you may request of me, will be billed prorated on the hourly fee.
